To help project cash flow for the church, please indicate your desired schedule of payments:

Weekly Monthly Quarterly Annually or One Time _____

Fair Share Commitment

Yes, this is a Fair Share financial commitment based on the Fair Share Giving Guide printed on back of form.

May we include your name and giving range as a Fair Share Donor on our Recognition Honor Roll?

This is less than Fair Share, but I am willing to work toward that goal.

This financial commitment is made in good faith. I agree to complete it, unless I notify the congregation treasurer in writing of any changes or modifications. In the event that I am unable to complete this commitment, I agree to notify the treasurer as soon as possible.
